

MEDICAL CARE™ LATIN AMERICA+

Good news:
We continue
improving our
plans!

Our goal to offer the best benefits remains firm, focusing on providing our members the most comprehensive coverage in the market. In addition to offering the peace of mind that comes with having access to the best medical providers in Latin America and the Caribbean, we would like to remind you that, as of **June 1**, the Medical Care LATAM+ plan **expands its coverage around the world**, excluding only Brazil, Canada, and the United States, for both new business and renewals of individual policies⁽¹⁾. Corporate group policies are evaluated upon their renewal.

We have also adjusted the premiums for this plan to offer a better option for our members.
